

National Public Health Emergency Team – COVID-19
Department of Health, Miesian Plaza
Meeting 13: Wednesday, 11th March 2020 at 9.15pm
and concluded Thursday 12th March 2020 ca. 1am
AGENDA

This was an ad hoc meeting of the NPHEM called by teleconference, considering the following item:

“The purpose of the meeting is to consider the current data and information regarding the progress of the disease at national and international level, and in light of the evolving situation consider whether a recommendation should be made to Government with regard to societal public health measures.”
