

PANDEMIC ETHICS ADVISORY GROUP – TERMS OF REFERENCE

The purpose of the Pandemic Ethics Advisory Group is to act as an advisory body to Government, policymakers and health service providers.

Terms of reference:

- To function as an expert sub-group of the National Public Health Emergency Team (NPHE) that will review and answer ethical questions relating to Covid-19 preparedness and response.
- To provide expert ethical advice to the NPHE, the Department of Health, the HSE and others as appropriate.
