ObSERVE Acoustic Data Availability

Project	Method	Data	Description	Format
ObSERVE Acoustic	PAM	PAM detections datasheet	This spreadsheet provides selected details of PAM-based detection events by date, location, species/group, etc.	.xls
ObSERVE Acoustic	SAM	AMAR detections datasheets	These files detail detection events logged by the AMAR monitoring devices and processing algorithms, according to project phase, mooring no., AMAR device no., date, time, species	.xls
ObSERVE Acoustic	Visual	DAHG cetacean survey spreadsheet	This file contains multiple spreadsheets consisting of detailed On-effort and Off-effort visual sightings and survey data obtained during ObSERVE Acoustic surveys.	.xls
ObSERVE Acoustic	All	GIS data	PAM survey locations, PAM detections shapefile , PAM species grid shapefiles C-POD detections shapefiles AMAR detections shapefile Visual sightings – all species shapefile, individual species shapefiles	.shp
