Re: FS006806 – pontoons at Berth 50 at Dublin Port

Dear Ms O'Brien,

Further to receipt and review of the Consolidated Observations which we received yesterday, we wish to inform you that our client Dublin Port Company (DPC) accept the recommendations and comments of all the prescribed bodies. We note that there were no submissions from the General Public therefore there was no need to comment on same.

We look forward to the project proceeding now to the next stage of the foreshore consenting process. Please can you keep me informed as the application progresses and forward the draft license for our clients consideration when it is ready for review.

If you require any further details on this DPC Project, please do not hesitate to contact myself on 048 90 667914 or ruth.barr@rpsgroup.com.

Yours sincerely

Ruth Barr
