Re: Refurbishment of Berth No.2, Greenore Port, Greenore, Co. Louth – CM983
Application for a Lease/Licence Under the Foreshore Act 1933 (as amended).
FS 006748

Dear Ms. O'Brien,

I refer to the above foreshore lease/licence application and the consolidated prescribed body observation received on 18th April 2018. We hereby submit our responses, on behalf of the Applicant:

Observations of the Marine Institute:

We have no comments to make in relation to these observations.

Observations of The Department of Agriculture, Food and The Marine:

We have no comments to make in relation to these observations.

Observations of The Developments Applications Unit, Department of Culture, Heritage and the Gaeltacht:

We request that archaeological monitoring be required for the excavation of overburden only.

Observations of The National Parks and Wildlife Service (NPWS):

We request the following clarification in relation to Item 2:

Do the National Parks and Wildlife Service require all works to cease from 1st May to 30th June, or does this statement relate to piling and rock breaking works only?

We have no comments to make regarding the National Parks and Wildlife Service's other observations.

Observations of The Loughs Agency

We have no comments to make in relation to these observations.

Observations of The Marine Survey Office

We have no comments to make in relation to these observations.

Yours sincerely
