Part 3

Fees

Rates of Application & Consideration Fees for Minerals Prospecting Licences (PL)

Application Fee

The standard application fee is €190 per Prospecting Licence Area.

Consideration

Two-Year Period	Consideration
First	€750
Second	€875
Third	€1,500
Fourth & each subsequent two-year period	€2,500

Thus, the consideration will be €2,500 per two-year period where a Prospecting Licence is renewed to any person who was the holder of the Prospecting Licence for 6 years or more.

Special Consideration as incentive for prospecting in under-explored areas

A reduced consideration of €1,250 for an initial six-year term was introduced in conjunction with the May 1995 Competition for Minerals Prospecting Licences as a promotional incentive for areas which, in the opinion of the Minister, have been under-explored with regard to their mineral potential, namely open areas that have not been licensed for over four years.

Part 4

Receipts

Moneys collected by the Minister in the period from 1 January 2018 to 30 June 2018 under the Minerals Development Acts, 1940-1999
