Dear Bernard,

332936-10 Santry to Eastwall Pipeline Project  
Foreshore Licence Application for the Trenchless Crossing of the Tolka River  
Your Ref. MS51/4/546

Our client, Bord Gáis Éireann, is proposing to reinforce the natural gas network in the Eastwall to Santry Areas of Dublin City. This reinforcement consists of a new 12" buried steel gas pipeline routed between Eastwall and Coolock with a link pipeline from Griffith Avenue to Swords Road. The route of the new pipeline includes a trenchless crossing of the Tolka River, adjacent to John McCormack Bridge.

As the location of the Tolka crossing is within the Foreshore, Bord Gáis are applying for a Foreshore Licence for this section of the pipeline.

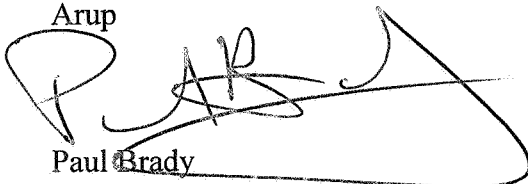

Bord Gáis is seeking a 99 year licence for the pipeline.

Please find enclosed 10 copies of the Foreshore Licence Application. We would be grateful if you would acknowledge receipt of this application for our records.

If you have any queries in relation to this application, please do not hesitate to contact me.

Yours sincerely

for  
Arup

Paul Brady
