Dear Mr Fitzgerald,

I refer to your request in relation to the above and I can confirm that Kerry County Council has no objection to this event in principle and insofar as it falls within the remit of Kerry County Council. I also wish to confirm that an Event Licence is not required. I also note that you have confirmed that you are arranging insurance cover through the HPRA.

Please ensure that horses are not allowed onto the sand hills and that the event will conform to the rules of the Horse and Pony Racing Association.

The best of luck with your event.

Le gach dea ghúí,

Pádraic Teahan
South and West Kerry Municipal District Engineer

Kerry County Council
