To whom it may Concern,

My Submission on the future of Moore Street
The Street Market & Battlefield Area.

I am the Grand Niece of Lieutenant Michael Mulvihill from Co. Kerry. While Michael was attempting to charge across Henry Place to Moore Lane. (After the evacuation of the GP) Michael was hit by a burst of machine gun fire from the Sixth Sherwood Foresters who were positioned at the end of Moore Lane. His body was found not far from the body of his Commander "The O'Rahilly". Whilst Michael died instantly "The O'Rahilly" died in agony for many hours.

This is our history, these lanes hold our history. It is our "Irish Alamo" so much history and suffering which forms our history to-day.
It must be kept for future generations

at home or in exile to come and learn
the history of the place and feel the
atmosphere and what atmosphere there
is in this quarter of Dublin.

Please Please drop "The Appeal", let
Moore Street become a historical area
for all to visit and enjoy.

I remain

yours sincerely.

Mrs. Miriam DARLYMPLE B.Sc.(Hons.)

(I am a member of "The the Relatives
Association" and "G.P.O. Garrison"
and concerned relative of
Michael Melvri Hill.)
