\* The total payment differs from the actual charge on the Central Fund for 2009 mainly due to the time lag in the payover of statutory and voluntary deductions in respect of 2008 and the transfer of funds in excess of requirements to the bank account in late 2009. These funds have been utilised in 2010. The time lag issue will not arise in the future as funding from the Central Fund is being done on a gross basis from 2009 onwards.
