RE: - Arklow WwTP and Outfall Surveys – Section 3.3 Application

Dear Martina,

Further to recent discussions, please see attached our revised Section 3.3 application for the necessary surveys for the proposed Arklow Wastewater Treatment Plant and Outfall.

The below amendments have been made as per your email on the 20th May 2016

- The text Figure 1,2,3 have been removed and replaced with reference to map Drawing 247825-00, G001
- The Reference to Appendix A. has been removed and ref to Table 4. Section 2.4.2 has been added.
- The Title of map has been changed to 'Foreshore Licence Map'.
- The words 'main' and 'extended' has been removed and replaced with 'Foreshore licence area' of 1,304,439m²
- The locations of benthic grab samples 9 and 10 have been added to map
- The word 'typical' has been inserted after the Borehole and Grab Sample locations in the Legend Box to allow for site conditions

I trust this contains sufficient information. Please contact the undersigned with any queries.

Yours faithfully,

Paul Fallon

Wastewater Treatment Programmes Specialist
