ACCEPTED PRECAST SILO WALL PANELS

This list details all the companies that are accepted as producing precast concrete silo wall panels for grant-aid.

If a manufacturer is not included on this list, then initial approval for grant aid shall not be given unless the applicant arranges for the Departmental acceptance of the chosen system.

If a precast silo wall manufacturing company which is not on this list wishes to be included, it should send detailed specifications of their units to: Engineering Unit, Nitrates, Biodiversity and Engineering Division, Pavilion A, Grattan Business Centre, Dublin Road, Portlaoise, Co. Laois.

In all cases the precast silo wall panels shall be fixed in-situ. The method of fixing shall be cast into the wall panel during manufacture.
