

AN ROINN TALMHAÍOCHTA, BIA AGUS MARA DEPARTMENT OF AGRICULTURE, FOOD AND THE MARINE

ACCEPTED FENCING POST SUPPLIERS

This list details all the companies that are accepted as producing fencing posts for grant-aided schemes. All posts will still be subject to a final inspection before grant-aid is paid.

If a non-timber fencing post manufacturing company which is not on this list wishes to be included, it should send detailed specifications of their units to: Engineering Unit, Nitrates, Biodiversity and Engineering Division, Pavilion A, Grattan Business Centre, Dublin Road, Portlaoise, Co. Laois, Ireland.

If a timber fencing post manufacturing company which is not on this list wishes to be included they should contact **NSAI Certification**, 1 Swift Square, Northwood, Santry, Dublin 9 to become certified to IS436. When the company achieves certification from the NSAI, they will be added to this list. Any company losing NSAI certification will be removed from this list.

ACCEPTED MANUFACTURES OF TIMBER FENCING POSTS:-

It is important that an applicant confirms that any timber post manufacturer included on this list retains up to date certification to IS 436. This can be checked by viewing the NSAI website (www.nsaie.com), and doing a “certified company search” for the company in question.
