ACCEPTED RAINWATER HARVESTING TANKS FOR GRANT-AID

This list details all the companies that are accepted as producing rainwater harvesting tanks that are eligible for grant-aid. In addition, all tanks and tank types listed in specifications S122, S.123, S.123Y, S.123Z, are acceptable for use as rainwater harvesting tanks.

If a rainwater harvesting tank manufacturing company which is not on this list wishes to be included, they should contact: Engineering Unit, Nitrates, Biodiversity and Engineering Division, Department of Agriculture, Food and the Marine, Pavilion A, Grattan Business Centre, Dublin Road, Portlaoise, Co. Laois.

Note: The inclusion of a tank on this list does not mean that it is suitable for the storage of potable water.
