

COVID-19

A message for all Residents in IPAS Accommodation

PLEASE STAY HOME!

Everyone has been asked to stay at home. The same rules apply to accommodation centres - you must stay in the centre and only leave to exercise within 2km, or to go to work in an "essential service", or to attend medical appointments. Go to gov.ie for more information on these rules.

PLEASE STAY APART!

Keep at least 2 metres apart from non-family residents and from staff. Do not stand around in groups.

If you've been advised by a doctor to self-isolate then you must stay in your room where meals will be brought to you.

Coronavirus
COVID-19

For further advice on COVID-19
please consult:

www.hse.ie/coronavirus

PLEASE STAY SAFE!

Cover your cough with a clean tissue then discard the tissue or cough into your elbow.

Wash your hands regularly using soap.

PLEASE STAY STRONG!

If you are young and healthy you can show strength and leadership at this time when this dangerous virus is active. You can help protect your friends and the other residents and staff at your centre. The best way to do this is to follow these simple steps and **do as you are asked by centre staff** until public health restrictions are lifted.

An Garda Síochána encourages the reporting of Hate Crime. Report Hate Crime at your local Garda Station. For a full directory of Garda Stations visit www.garda.ie.

Contact the Garda National Diversity & Integration Unit: Diversity@garda.ie or Tel: (01) 6663150 / 3856
