Re: **GLAS Tranche 3 Submit Button**

Dear Advisor

It is now possible to submit applications for GLAS Tranche 3. As with Tranche 1 and Tranche 2 previously, **before choosing to submit an application, please make sure that you are satisfied that all the actions you wish to include are chosen and mapped, where applicable.** All actions must be in compliance with the Scheme Terms and Conditions and Scheme Specification.

You are strongly urged to save and validate applications before submitting them but please note that inbuilt system validations will not of themselves guarantee that all aspects of the Terms and Conditions or the Specification have been adhered to. Required documentation must also be uploaded.

Once an application is submitted, it will not be possible to make changes and Department staff will not have access to retrieve, amend or delete submitted applications.

GLAS Terms and Conditions and Specification documents are available at this link:
