Re: **GLAS Tranche 1 – Extension to Completion Dates for Certain Actions**

Dear Advisor,

This Circular extends the completion date of the GLAS actions Protection of Water Courses from Bovines and Riparian Margins in GLAS Tranche 1 from **31st March 2016 to 31st July 2016**. In light of the very wet Winter, the corresponding flooding and the poor trafficability of land throughout the country as a result.
