Re: GLAS Tranche 1 Terms and Conditions and Scheme Specification

Dear Advisor,

With the approval of applications under the first Tranche of GLAS expected to issue very shortly, it is timely to remind people of the terms and Conditions attaching to the new scheme and the detailed instruction and guidance laid down in the Scheme Specification. As both documents have seen some changes over time, for the avoidance of doubt the final released versions of the GLAS Tranche 1 Terms and Conditions and Scheme Specification documents will be published later today on the Department's website at <http://www.agriculture.gov.ie/farmerschemespayments/glas/>.

These are the documents that should be referred to by all GLAS Tranche 1 approved participants.

We will shortly be sending approval letters to successful applicants. With their approval letter, each participant will receive a copy of the Terms and Conditions. Shortly thereafter they will receive an information pack, which will include the Specification.
