

Circular 05/2015 – Issued by email

8th April 2015

To: GLAS Advisors

Re: GLAS Application System

Further updates will be carried out on the GLAS application system, tomorrow 9th April. The system will be unavailable from 07.30 - 08.30 and a broadcast message will appear on screen indicating system unavailability, while the updates take place.

The changes to be implemented are;

- Access to the maps of parcels claimed by the prospective GLAS applicant in SPS in 2014 (.pdf format);
- Change to grazing validation in the Sustainable Management Plan with the minimum requirement being reduced to 5 months;
- Removal of Breeding Waders from 125 herds in the Shannon Callows;
- Removal of Hen Harrier from 29 herds in Donegal;
- Addition of Hen Harrier to 327 herds in Slieve Bloom;
- Addition of Chough to 19 herds in Cape Clear.

For existing applications, the advisor may be notified of invalid actions which will be removed and also newly available actions. New applications will not receive this notification.
