FW: I am a full tillage farmer in my early 40's from Tipperary. I will be hit severely in the proposed CAP if it goes a head. 1. Greening should be left the same as it is. 2. Direct Payment left the same as it is. 3. Stacking should be left in place. 4. No deduct

RE: 6. Young Farmers should not be allowed to get my hard earned money as they are not depending on farming if they have off farm job. 7. There needs to be more research into Protected Urea as I am not sure that it will work in my situation. 8. There is not en
