Application Form to request a Registered Operator to amend a current Certificate of Registration to include additional Animal By-Products

Information Note

Please note the following:

- An establishment using animal by-products (ABP) and/or derived products for research, or diagnostic purposes must comply with the European Communities (Animal By-Products) Regulations 2014 (S.I. No. 187 of 2014) and in accordance with Regulation (EC) No. 1069/2009 and Regulation (EU) No. 142/2011.
- All personal data processed by the Department of Agriculture, Food and the Marine will take place in accordance with the law on Data Protection and will only be for the purposes connected to the functions of this Department.
- **Please note:** The application form must be completed by the 'operator'. The operator is defined as 'the natural or legal persons having an animal by-product or derived product under their actual control, including carriers, traders and users'. Where the Operator is a corporate entity the person signing the application must be in a position of authority that he/she can bind the company, e.g., Director or Company Secretary.
- The completed application form and supporting documentation should be sent to Department of Agriculture Food and the Marine (DAFM), Milk and Meat Hygiene/ABP/TSE Division, (Animal By-Products Section), Room 320, Eir Building, Old Knockmay Road, Portlaoise, Co. Laois, R32 YK81.
- ***Applications that are incomplete, that contain insufficient or unsatisfactory information or that do not comply with conditions or legislative requirements will be returned to the applicant and a revised, fully completed application must be re-submitted.***
