Aquaculture Licence Application Drawing Validation Sheet

Application Reference No: T09/140

#	Drawing Requirement	Y / N / N/A	Comment
1	OSI Site Location Map Provided?	Y	1:10,560 Scale OSI Maps provided by GIS Unit.
2	BA Chart Provided?	N	BA Chart provided by GIS Unit
3	Farm Layout Drawing Provided?	Y	Farm Layout Drawing has been provided.
4	Details of Structures Provided?	Y	Details of Structures have been provided.
5	Site Co-Ordinates & Area Indicated?	Y	Site co-ordinates and site area have been provided.
6	Site Access Clearly Indicated?	Y	Site Access has been Clearly Indicated.

Key to comments on drawings provided:

A. Unsuitable standard of clarity/resolution
B. Include/improve drawing notes
C. Include directional arrow/orientation
D. Use/indicate recognised scale
E. Provide title block, project title, drawing title
F. Indicate drawing date
G. Indicate aquaculture farm name/logo
H. Indicate source of drawings - name/logo
I. Indicate drawing number (plus revision version as appropriate)

☒ **Drawings are acceptable.**
(Note: Regional Engineers may require further information.)

☐ **Drawings are sufficient for mapping purposes; however AFMD should return the application to applicant as drawings are incomplete or of poor quality.**

☐ **The applicant has submitted insufficient drawings or drawing of insufficient detail as per above to enable the application to be processed.**
