Where the records have already been included on the FLV please provide a list of case reference numbers so that the records can be identified on the FLV. I request that the information is provided in an electronic format as soon as is possible. I would ask that DAFM considers the comments of the Commissioner in cases: OCE-XXX and OCE-XXX "It is worth noting that if Coillte accepts that a right of access exists to such operational monitoring information, as it decided to release in the previous similar cases, albeit for a smaller area, there is nothing to stop it from publishing such information regularly, thereby avoiding the need to process AIE Requests seeking these reports. Indeed, greater proactive publication of environmental information is a significant tool in managing the number of AIE requests made on such matters".
