Mr. Peter Connaughton,
Foreshore Unit,
Department of Environment Heritage and Local Government,
Newtown Road,
Wexford.

Dear Mr. Connaughton,

Enclosed is my application for seaweed harvesting licence. I spoke with Francis O'Beirn of the Marine Institute on April 11th ad he was satisfied with the proposed application and said that he was available if there were any further queries.

I wrote to the NPWS on April 25th regarding same and followed up with a telephone conversation on May 18th who confirmed that my proposal was to his satisfaction but was subject to official approval.

If you have any queries please contact me by email as I expect to be overseas until June.

Yours sincerely,

James Lynch
