Monkstown Bay Marina Company Ltd

Proposed development of a marina including land reclamation

Dear Sir

I refer to your request of July 22nd last

This Department has no objection to the application for planning permission being made, but it should be noted that no works should commence on the foreshore prior to the appropriate foreshore consents being obtained.

It is not, of course possible to give any indication regarding the approval of any application for foreshore consents(lease/licence) prior to an application for same being made and examined in this department

Yours Truly

Geraldine Hayes.

Geraldine Hayes
