Re: Foreshore Licence Application No. FS 005826

Dear Minister,

On the 8th and 9th of March 2014 Monkstown Bay Sailing club hosted a Universities team racing sailing event in Monkstown Bay using the marina facilities as our base. The Marina Company representatives made a presentation showing the plans for the extension to the marina to the participants of this event and asked them to comment on this development. Please find ~~enclosed~~ copies of letters submitted by these students and photographs taken at this event.

Since the construction of the existing marina it has helped MBSC host bigger and better sailing Regattas and Championships including the 1720 Class National Championships, National 18 Championships, 505 National Championships and the Munster RS Feva Championships to name but a few. The marina has also helped us to increase the numbers participating in the MBSC At Home/Regattas by providing safe and easy access to the larger yachts,

From a safety point of view we keep our rescue crafts on the marina, which gives quicker and safer access to the rescue craft all year round. Over the years the club members have participated in a number of successful rescues which were not related to sailing club events.

I would like to convey my full support for the extension to the marina on grounds of safety, promotion of sailing, training facilities, encouraging marine tourism and creating a hub for like minded harbour users to liaison with each other and promote their chosen activity.

Yours sincerely,

John Crotty
Commodore
Monkstown Bay Sailing Club

Re: Foreshore Licence Application Ref: FS 005826

Dear Minister,

I have seen the plans and drawings for the proposed expansion to the marina in Monkstown, Co Cork and would like to register my support for the development.

As the captain of a college sailing club, I have been to many venues around Ireland for sailing. ~~This proj~~) Monkstown is a perfect venue to run a regatta and this development would only better the facilities. It would surely attract more regattas to Monkstown and attract other business too. I personally think this is a great step in the right direction, not just for the maritime community. but for the whole community.

Yours faithfully,

Minister for the Environment, Community
and Local Government at Foreshore Unit,
Department of the Environment, Community
and Local Government,

Re: Foreshore Licence Application Ref: FS 005826

Dear Minister,

I have seen the plans and drawings for the proposed expansion to the marina in Monkstown, Co Cork and would like to register my support for the development. An extension onto the marina would be very beneficial to Monkstown. As a university of Limerick Sailing club member I have competed in a team racing events in Monkstown. There is a high level of interest in these events which are expected to be run annually. A marina extension would greatly facilitate dinghy racing in the area in the future.

Yours faithfully,

Minister for the Environment, Community
and Local Government at Foreshore Unit,
Department of the Environment, Community
and Local Government,
Newtown Road,

Re: Foreshore Licence Application Ref: FS 005826

Dear Minister,

I have seen the plans and drawings for the proposed expansion to the marina in Monkstown, Co Cork and would like to register my support for the development.

I think the town would benefit greatly with the expansion of this marina. The sailing club and all watersports associated with Monkstown would benefit greatly with the facilities proposed. I think the town needs it & I support it completely as well as most of the town supports it.

Yours faithfully,

Minister for the Environment, Community
and Local Government at Foreshore Unit,

Re: Foreshore Licence Application Ref: FS 005826

Dear Minister,

I have seen the plans and drawings for the proposed expansion to the marina in Monkstown, Co Cork and would like to register my support for the development.

- I think that the sailing club and the monkstown community will benifit from this facility.
- I think it would boost sailing in this area.
- Not many clubs in Cork have good sailing facilitys so it is needed.

Yours faithfully,

Minister for the Environment, Community
and Local Government at Foreshore Unit,
