Subject: RE: FS006837 Shannon Foynes Port Company - Jetty Extension

RE: FS006837 Shannon Foynes Port Company for proposed works involving the construction of an open jetty structure to facilitate the connection of the existing East Jetty and West Quay structures located in the Port of Foynes, providing an extension to the length of the existing berths in the Port at Foynes, Co. Limerick

A chara,

Attached please find the underwater archaeology recommendations of the Department of Culture, Heritage, and the Gaeltacht for the above mentioned foreshore application.

Having reviewed the Archaeological Assessment and other documentation associated with the scheme, the Department has the following comments in relation to the predicted impacts of the proposed scheme on the archaeological heritage of the area.

The predicted impact of the proposed scheme upon archaeological heritage and the relevant Mitigation Measures are detailed in sections 14.7 and 14.8 of Environmental Impact Assessment Report Vol.1.

It is recommended that the Mitigation Measures detailed are carried out in full.

Mise le meas,
