**Re:** Application to conduct work on Corrib Well P6 flexible flowline

Dear Ms. Hennessy,

As you are aware the previously submitted application to complete works on the Corrib Well P6 flexible flowline was withdrawn due to the works not proceeding this year.
Vermilion Exploration & Production Ireland Limited (VEPIL) are now re-submitting the application with revised dates.

Please find enclosed the following documents:

- Application Form to conduct offshore work on Well P6
- Method Statement for the replacement of the flowline on P6
- Natura Impact Statement
- EIA Screening and Environmental Risk Assessment

These documents form the application to complete works on the P6 Flexible Flowline either in 2021 or 2022.

A signed paper copy is in the post to your head office.

If you have any questions, please don't hesitate to contact me.

Yours sincerely,

Jarlath Trench
Operations Manager

Cc. Maria O'Brien Assistant Principal Officer DCCAE
